## ST. LOUIS WELCOMES NEW ARMY OFFICERS

### Twelve St. Louisans Among Men Commissioned at Camp Dodge, Fort De Moines

#### Imposing Parade A Feature of Reception Here. More Than Fifty Officers in Line.

St. Louis paid homage to more than fifty newly commissioned colored officers of the United States Army, Tuesday and another chapter has been written in the history of its colored citizens. This time it falls on an event without a precedent, an occurrence that may never again be repeated.

The men were on leave of absence, returning to their homes from Camp Dodge, Fort Des Moines, where they had completed their course of instruction and received their commissions. As honored citizens, they had, four months previously, bid adieu to their relatives and friends and now were returning as salaried officers of the United States Army. Twelve of the number were from St. Louis. Others had stopped over to accept the city's hospitality. They were greeted at Union Station by several hundred citizens headed by Mayor Owen, Jr., and others. Walter Moore, chairman; Ernest Pettibone; Herbert T. Meadows; W. B. Banks; W. H. Fields; C. E. Robinson; Dr. D. M. Owsen; E. T. Taylor; J. A. Curtis; William Levine; J. E. Jones; Homer G. Phillips; J. M. Wall; D. H. Jones; Eugene Robinson; Chas. A. Mills; Capt. Wm. B. Smith; J. L. Williams; and Brown L. Harris.

The men arrived in two Pullman coaches on the Washoe shortly after 9 a.m. and they were greeted by a parade as it was formed, headed by Herbert T. Meadows, city editor of the St. Louis Argus and Walter Moore, followed by a band, the visiting officers, officers of the Medical reserve, members of the committee and citizens in automobiles in the order named. The line of march was east over Constant to Southwest, to Market, to Twelfth, to Locust, to Twentieth, to Market, to Jefferson, to Lawrence, to Leffingwell, to Main, to Compton to Lawton where the guests were breakfasted at the Kew-Camden Cafe. The parade was imposing. The suddenly hearing of the distinguished officers was the signal for loud cheering and applause. The parade was stopped to give them the right of way, policemen and civilians who recognized the rank of the men saluted them as they passed, but typical of the kind that has greeted all military demonstrations in St. Louis during the past few months, America is thinking, with a seriousness that does

#### THE following St. Louis men received commissions at Camp Dodge, to be officers in the United States Army:

not permit of much outward demonstration. However, all St. Louis was proud of the new officers and such remarks as "Aint they fine," "There Go Our Boys" etc, were frequently heard.

After breakfast, several of the visiting officers made a trip to Summer High School where they were received and directed through the building by Prof. F. L. Williams. A reception was tendered at the Pythian Hall Auditorium in the evening, but most of the visiting officers were compelled to leave before the large audience assembled. Attorney Homer G. Phillips presided and short speeches were made by Capt. Tandy, Rev. Parr and Mr. Hudlin; also remarks on experience by the officers present.

The committee desires to thank the owners of automobiles and all citizens who assisted in making the welcome to the new officers. They were especially hurriedly made and there was little time to plan a larger demonstration.

In a speech at San Diego, Cal., Tuesday, Secretary of the Treasury McAdoo

"Suppose that such an unexpended of the United States should fall to lay the Liberty Bonds. Then we shall have to conscript the wealth of the nation. We don't want to do it, but when the Government is conscripting the manhood of the country for the war, it is conscripting human life to carry the war to a successful conclusion, is it any time to be more tender with our dollars?"

## CAPACITY OF SUMMER HIGH NOW REACHED

Growth From 385 to 900 In Nine Years Has Been Remarkable. Addition To Enrollment Expected In January. Normal Branch Needs Extending. New Extension Courses For Teachers Added.

In an article on the congested condition of the Colored public schools, last week, The Argus called attention to the need of more schools to relieve the situation and suggested the John Marshall on Lucky St., the Riddick at Evans and Whittier, and the Gow at 3225 Belle as being the most logical. It has since been learned that the Cuyler school for white pupils will be finished by March, even sooner if the work was pushed. This school will relieve the need of more schools for the colored children now at the John Marshall.

The Board of Education is inclined to believe that the present enrollment of the crowded schools is abnormal due to the East St. Louis trouble and the migration of Negroes from the south, and that the coming of cold weather will drive colored children to the south again. The general opinion, however, is that all who intend to return to the south have already done so and that the school will see many more families moving to St. Louis for permanent residence.

That the growth of school attendance in St. Louis is abnormal is proven by the facts concerning Summer High. This elegant structure was built to accommodate not over 800 pupils. In nine years the enrollment has gradually increased from 385 to 900 at present. Principal Frank L. Williams is of the opinion that this number will be increased to 1200 by January. It is already necessary to use the auditorium for classes. This clearly indicates that Summer will need relief. The question is, how?

The Board of Education is experiencing this year, on a Junior High school. If this proves practical it may be a solution to the situation. A school of this kind could include the seventh and eighth grades of the Grammar school and the first grade of the high school. It is estimated that this would relieve the school of about 300 pupils. The overcrowded condition of Summer and the inadequacy of the Cuyler school seriously interferes with the normal branch. It is claimed the student teachers are not getting the training that is desired. It is suggested that a junior high school could be utilized for this purpose and that training is broad and thorough as in the Harris Teachers College could be provided.

Summer High is one of, if not the worst of the colored high school in the country. Besides its regular courses, all students are required to learn an occupation. A supervised study for teachers known as Extension Courses has also been added. All regular, substitute and apprentice teachers are eligible for enrollment. The new branch is being built to offer an opportunity for the teachers to keep posted on modern and practical methods of teaching and keep freshened on the various subjects taught.

The colored women are being called upon to assist in disposing of Liberty Bonds.

## "I AM INNOCENT OF LEADING RIOT" SAYS DR. BUNDY

East St. Louis Dentist In Jail On Account Of Riot Says He Is Persecuted Man. Victim Of Low Petty Politics. Has Exhausted Financial Resources. Appeals For Aid.

### INVESTIGATION BY THE GOVERNMENT

Congressional Committee Has Power To Find Out Causes If Inquiry Shows That Travel Was Made Through Shipments Loaded On Account Of Riot.

Dr. Leroy N. Bundy charged, with being the leader of a number of Negroes in an alleged plot to rise and massacre the whites of East St. Louis, was taken to the county jail, from which, Ohio, last Sunday and landed in the county jail. Dr. Bundy had been brought back on a requisition honored by the federal government.

A committee of men, consisting of Doctors Gordon, Phillips and Williams, representing the Medical Forum of St. Louis, visited Dr. Bundy Monday. The dentist was alone in spirit and declared he had been financially ruined on account of his legal fight in Ohio. In speaking of his case Dr. Bundy said: "I am a persecuted man, the charges against me are absolutely false. I never entertained any crazy notion like this and I never had the slightest idea that the Negroes would do anything like this. Like every other Negro in East St. Louis, I knew there was trouble brewing for us but I went about my business and was not engaged in any plots or schemes to provide weapons as is charged, and I was not the leader of any armed mob of Negroes, as is charged. I was not in any kind of plot, and nobody, black or white, can truthfully say that I urged our people to rise themselves or to do anything. That was against my law."

"I am the victim of dirty, low, petty politics. My relatives and friends have exhausted their financial resources for me and I would need assistance from others. If members of my race would come to my aid and secure counsel to defend me, I can establish my innocence. Without their help I can do nothing."

At the meeting of the Medical Forum, Tuesday night, the organization subscribed \$25. Individual members also signed. There is intention to subscribe personally. The money will be given to W. H. Huffman, 3137 Pine Street, to be used by the N. A. A. P. Dr. Bundy's defense.

Ten Negroes and three white men have been arrested in the past few days on account of the riots of July 1st and 2nd. Three whites are on trial for killing two Negroes and one white man.

The National House of Representatives opened its first session in St. Louis Wednesday to investigate the East St. Louis riot. If the committee finds that travel was made under the riot, it is authorized to probe and bring out the causes. The committee will have difficulty in establishing these facts.

One of the most interesting entertainments ever witnessed in this city was a banquet given under the auspices of the W. H. & F. Missionary Society, of Calvary Baptist Church. Beautiful music was rendered by home talent consisting of Prof. Payne, director, bass viol; Mr. David Gison, traps; Mr. Samuel Baker, Prof. James Cole, violin; Mr. Eli Bell, Mrs. Willa Britt, piano. ### Pythian Temple, 3137 Pine St.

The St. Louis Branch of the N. A. A. C. P., on whom (because of close proximity) has developed the labor of giving relief, prosecuting claims for losses and detecting and prosecuting the criminals in the matter of the barbarous rioting and massacres at East St. Louis, Ill., in the first week of July, 1917, here makes a general appeal for funds that are necessary to the accomplishment of its work.

The future safety of the Colored people throughout the United States depends upon the nation being taught that arrest, trial, conviction and punishment shall be the portion of those who assail persons because they are Colored, as surely as such assault is made.

Colored people alone can give this lesson. We are giving it now and it shall be given most thoroughly; but we must have the help we are here asking for.

To this date, \$1,067.00 has been contributed for this purpose and \$648.00 has been expended. Attorneys, detectives and court fees and other expense create need for a total of \$5,000.00.

We publish fortnightly, in available newspapers, reports of all money received and all expenditures and we will furnish interested persons with copies of these reports on request.

We earnestly ask prompt, general response to this appeal and we pledge exhaustive effort for redress and correction.

Send all contributions by check, registered letter or money order to Wm. H. Huffman, Treasurer, Pythian Temple, 3137 Pine Street, St. Louis, Mo.

Very truly yours for the peace and security of law-observing American Citizenship.

## "WE ARE PATRIOTIC"

"We are patriotic," "We are loyal." The above statements were most frequently made by the officers, who had just returned from Ft. DeMoin, during a patriotic meeting at Pythian Hall last Tuesday evening. The speakers also made frequent reference to President Wilson's speech in which he said, "We must make the world safe for Democracy."

As we sat and looked upon the young men, who were full of enthusiasm, who are willing to go where ever the President says go, even into the very jaws of death; we could not refrain from longing for a democracy that is broad enough to reach the American Negro in this country. We congratulate the boys upon their achievement. It is a high honor to be an Army Officer, and St. Louis is proud of her sons who have been thus far successful. We know that regardless of the obstacles that are yet in their pathway their patriotism and their loyalty has the clear ring, true and tried.

## PUBLIC SERVICE CORPORATION.

Just now there is much said about the United Railways and the settlement of the Mill-tax that has accrued against the corporation in favor of the City of St. Louis.

To begin with, the presumption is that the United Railways owes the city, on account of this tax, over two million dollars, and the question is now how this amount is to be paid. The corporation pleads that it is not able to pay the amount in a lump sum. The arguments for and against the immediate payment of the Mill Tax into the City's Treasury have had their respective merits.

## The People's Interest

The common people, those who are dependent upon the Street cars to take them to and from their work, are the ones who should be vitally interested in the settlement or the adjustment of this question. The people will remember that they are constantly calling for more and better Street-car service; a more liberal transfer system; more pay for the employees; more Street-car lines and many other things for their comfort. All of these are the demands of the people. Therefore it is up to the people to interest themselves in this settlement, and see to it that whatever is done, they are to be the beneficiaries.

We must have the Street cars, as all of us cannot own an auto. We must not eripole our most useful public service corporation by making unjust demands. We are the losers if we do. So, let this be our slogan: **A speedy adjustment for the benefit of the people.**

## OUR ENEMY.

At a meeting held recently, where quite a number of educators, professional and business men of our race discussed the "problems" that confront the Negro in this country to-day, our friends, and our enemies were also considered. Some one during his eloquent remarks, stated that **The Associated Press** is our worst enemy. This assertion furnished quite a deal for thought, which was manifested before the meeting adjourned.

As to the truthfulness of the statement, we only wish to remind our readers of the great and powerful influence of the press in moulding public sentiment. In the first place, it has the largest audiences and has them daily. Men, women and children make up its roll. The President in his high and exalted position, and the hobo in the "soup-line" are influenced by the power of the press reports. In fact, for the most part they are true, or at least enough truth, to influence the minds of the readers.

Of course, the writers and editors of the powerful organs are human and as a rule prejudiced against colored people, and as a result of such prejudices, the writers and editors only publish in their news, or editorials the things injurious to the Negro. It seems that the only time when the Associated Press cares to gather news concerning the Negro, is when some kind of crime has been committed or at least when he is suspected of a crime. Then, as one speaker has said, "your name in BOX-CAR LETTERS on the FRONT PAGE will appear in the great sentiment making daily press."

Just think of it, suppose that every time you heard the name of any individual, it was only when he was mentioned as a thief, robber, murderer or as having committed some other crime. Then suppose you heard it daily for years and years. It would be hard for you to think otherwise. For that cause, the Negro is always on the defensive, fighting hard at great odds, even against the most powerful organization in all the world—The Associated Press.

It has been pointed out that if the Negroes are mentioned at all in the daily press, nine times out of ten, the article is so written, that it will reflect discredit upon the entire Negro race. This is unjust and unfair. Surely our worst enemy couldn't do more against us.

Elsewhere in this issue of The Argus, we have endeavored to show by clippings from twofold the daily papers of St. Louis published statements concerning the Negro, both good and bad. The public shall be the judge as to the fairness, and whether they bear the earmarks of words and phrases coming from our friends or our enemies.

American Woodmen  
Campaign Succeeding

American Woodmen Camp No. 9, Edward H. Anderson Commander and Camp No. 10, T. L. Gentry, Commander, are outgiving all former efforts in rolling in new lots.

It seems that the 1000 members will be secured in 30 days when the limit was set at 30 days.

Each camp is trying to roll in the larger number, as a banquet will be given in honor of the camp winning in this friendly Woodmen-battle.

In next week's issue of the Argus will appear the picture of the first St. Louis women to graduate from the Woodman Training School as a regular salaried deputy. American Woodmen deputies pass insurance examinations just as other professional people and draw larger salaries than most of them. Take our calls out to the first woman deputy and give her your application when she calls. C. C. Cade, Supervisor, 3524 Lawton Ave.

## 12TH ANNIVERSARY

The Christian Spiritual Anniversary Will Celebrate the Fourth Friday—Rev. O. C. Maxwell, Pastor of First Baptist, Will Preach the Sermon

The 12th Anniversary of the Christian Spiritual Church, which is now located at 2727 Lawton, will be celebrated Oct. 26 (the fourth Friday). Pastor Maxwell stated that he expected this to be the largest attendance of any previous years, as the people are beginning to appreciate the real meaning of Spiritual churches more and more each year. The congregation is raising money to build a new church and the money raised on this occasion will go toward the building fund. Rev. O. C. Maxwell, pastor of the First Baptist Church, will preach the sermon from the 2nd chapter of 1 Peter. Persons planning to attend should read the chapter for much inspiration. Some of the most noted Spiritual mediums in the city will be present to assist in giving tests. A re-will offering will be taken in the interest of the building fund. Refreshments free. J. S. Weatherford, Pastor, assisted by L. Cooper, M. Owen, Secretary.

## LANE TABERNACLE

Don't leave your religion at church, said Rev. Smith to the members Sunday morning. "I want you to have it here; but not all of us carry it away. On an investigation made at the Public Library the pastor reports that not one of the colored people are reading the Bible. We should grow in grace each day said the speaker, an educated head and a carnal heart are dangerous to the owner. The board of deacons headed by Rev. Marshall, B. J. Hunt and Mr. W. H. Brown lead all departments in the "Doxology Rally."

## The Non-Denominational Club

The church wishes to express appreciation to the Non-Denominational Club for the beautiful offering tables that they presented on the first Sunday of the month. The program was made up of Sunday school teachers, and was exceedingly good. Miss Katie Smith teacher and also treasurer of the league presented the offering. "What is committed to you?" To the parents Miss Smith said that the lives of their children were committed to them until they reached a responsible age. Every one, said Miss Smith, has a duty that God has committed to you. Excellent solos were rendered by Mrs. Ella Norman, and Miss Ethel Copeland. "My mother's prayer," the solo offered by Mr. Joe King was very touching. The all-Sunday school in the league lay proved to be a success. Mr. John Carver, secretary of the league, extended greetings to the league. Mrs. Wisdom wishes to thank the Sunday school teachers for the lovely program presented in the school Sunday. The subject will be, "Putting religion into politics," scripture reading found in the last chapter of Isaiah, Sunday Oct. 28th, the meeting will be conducted by Miss Myrtle Payne.

## The Sun Set Sunday School Club

Last Thursday evening the Sun Set Club, an auxiliary of Lane Tabernacle, Sunday school met at the home of Miss Daisy Thompson, 4122 Finney Ave. One particular aim of the club is to get for members of the league, to come to Sunday school to study the lesson at home. Another important feature in which the members are interested is in the Xmas program. The club has a bank in which all members make a deposit each week. A week before Xmas the bank will be closed and every member will receive their balance, those who have received it as they appear on the secretary's record are: Mr. W. S. Anderson, Mrs. M. A. Nobles, Mr. A. J. Lewis, G. Hamilton, J. Armstrong, H. Wren, E. C. Lee, Max McCain, I. Smiley, P.

Proby, Mrs. Joe Lee, Ella Carr, Lizzie Morris, A. Proby, Josephine Martin, Mary Cooper. Miss Grace Scott, treasurer of the department is in charge of the bank. Mrs. Maupin is the secretary. Mrs. R. C. McElroy, a member of the club has returned from a visit to points in Illinois and Michigan. After the meeting the hostess, served a delicious luncheon.

## WAYNE A. M. E. CHURCH

The church has just closed a most successful year work under its very efficient pastor Rev. A. R. Dobbin, the reports show that we have raised \$2,324.15 this year. Peace and harmony have prevailed throughout the year; the congregation has grown by leaps and bounds.

The fourth quarterly conference had more the appearance of a love feast than a business meeting and this has been the condition in every business gathering. To say he is loved by every member is but a faint expression; he is for business when there is business when there is business to be attended to, and no pay. A plain and practical exponent of law and insists it must be observed.

Presiding Elder Dr. J. D. Barksdale, after hearing the reports of the year's work gave vent to his hearty approval of the great work done by the baby church in St. Louis, by saying "I do not shout, but I feel like shouting to night."

Little did we think it was possible for this church to pay a pastor \$934.15 and yet we do not feel we have done enough for this Gospel preacher and his wife who has stood close by his side, though not at all in the very best health but by her affable and kind manner of dealing and mixing with those with whom she comes in contact has immortalized her in the hearts of the people of this church and city.

Monday night was another memorable occasion in the history of this church. Unannounced our Beloved Bishop Parks, and his wife became the guests of the "baby church," or as is generally called, the "Sun Set Club." The ladies of the different boards upon learning of their presence at the parsonage decided to prepare dinner in the dining room of the church and have the Bishop and wife to take a lunch with them in the name of his baby, the Bishop gladly accepted and the ladies agreed a feast that would have done credit to a king.

While we know the laws of the A. M. E. Church changes its pastors, when in the wisdom of the P. E. and Bishop so to do, we are not looking for such a blow to this church to have our pastor taken from us, for it would mean a shock that to our minds we could not soon get over. Since he knows the conditions and the people have learned him and to know him is to love him, we look forward to greater achievements another year.

These are sentiments sanctioned by the entire congregation, and are hereby certified to by the officials of Wayman, A. M. E. Church. L. R. Springer, Secretary, Trustee Board, J. P. Hanson, Church Clerk.

## ST. JAMES A. M. E. CHURCH

St. James kept up her record for attendance last Sunday morning. Dr. Peck preached an inspiring sermon on "The Privilege of Prayer." His theme at night was, "Fighting God." The Official Board held its final meeting for the conference year Monday night. It was a splendid session. The reports were "Top Notch," and showed every department in excellent condition. This has been one of the most successful years in the history of the church.

There have been 234 conversions and 278 new members, and the church is spiritually alive. The financial progress has kept pace with the spiritual. Dr. Peck will read his report with pride. Knowing he has had the hearty cooperation of his officers and laymen throughout the entire year.

Rev. A. A. Gilbert, Presiding Elder of the S. W. District and former pastor of St. James will preach at the eleven o'clock service. Rev. Gilbert endeavored himself to not only his parishioners but all with whom he came in contact. Come and hear him Sunday morning.

## ST. PAUL A. M. E. CHURCH

The services last Sunday were well attended. The pastor in his usual dignified manner preached a most delightful and spiritual sermon. He chose for text Isa. 54:10, "For the mountains shall depart and the hills be removed, but my kindness shall not depart from thee." He brought out many beautiful points and the presence of the spirit of the Holy Ghost was greatly manifested. St. Paul closed one of the best sessions in its history. Dr. Johnson is attending the annual conference this week in Kirkwood. Strangers are welcome.
